Positive and Negative Relationships From the book Networks, Crowds, and Markets: ... the mix of positive

and negative relationships that take place within a network? Here we describe a rich part of social network theory that involves taking a network and annotating its links (i.e., its edges) with positive and negative signs. Positive links represent friendship while negative links represent ...

### **Chapter 5 Positive and Negative Relationships**

Despite the popularity of picture books, the relationships of illustration to print and to the child reader remain little understood (Elster and Simons, 1985; Schallert, 1980).
