

religion and politics in pdf

Religion in the United States is remarkable in its high adherence level compared to other developed countries. The First Amendment to the country's Constitution prevents the government from having any authority in religion, and guarantees the free exercise of religion.

Religion and politics in the United States - Wikipedia

The political science of religion (also referred to as politicology of religion or politology of religion) is one of the youngest disciplines in the political sciences that deals with a study of influence that religion has on politics and vice versa with a focus on the relationship between the subjects in politics in the narrow sense ...

Political science of religion - Wikipedia

Muslims around the world express broad support for democracy and for people of other faiths being able to practice their religion freely. At the same time, many Muslims say religious leaders should influence political matters and see Islamic political parties as just as good or better than other political parties.
