

saltwater fishing lures guide pdf

Fly fishing is an angling method in which an artificial "fly" is used to catch fish. The fly is cast using a fly rod, reel, and specialized weighted line.

Fly fishing - Wikipedia

WRD uses special regulations (see below) and stocking to provide quality trout fishing in Georgia. More than one million rainbow trout and brown trout are stocked each year from March through mid-September. The number of trout stocked and the stocking frequency depend on a stream's fishing pressure, public access, and water conditions.
