Table 2, based on the Army's 77 BCT program, shows the changes in terms of Army battalions. The Army's decision to increase the number of maneuver companies in its modular heavy BCT battalions from three to four makes it necessary to consider the number of combat maneuver companies as well as the number of

battalions.

It would not take much, that is the problem. Even some whacked out billionaire could easily finance a type of launch system with the right type of nuke that emits more gamma radiation than anything and get the thing above 200-300 miles and bang the whole country is sent back to the early 20th.century.
