History of Welfare in Canada - Canadian Social Research Links

Welfare is a type of government support for the citizens of that society. Welfare may be provided to people of any income level, as with social security (and is then often called a social safety net), but it is usually intended to ensure that the poor can meet their basic human needs such as food and shelter.

Welfare - Wikipedia

A special message to federal, provincial and territorial government officials involved in comparative welfare research: Canadian Social Research Links is a one-person show.

Welfare in Canada - Canadian Social Research Links

Social work has its roots in the attempts of society at large to deal with the problem of poverty and inequality. Social work is intricately linked with the idea of charity work; but must be understood in broader terms.

History of social work - Wikipedia

Pre-Social Security Period. Traditional Sources of Economic Security. All peoples throughout all of human history have faced the uncertainties brought on by unemployment, illness, disability, death and old age.

Social Security History

The U.S. social welfare structure has been shaped both by long standing traditions and by changing economic and social conditions. In its early history, the United States was an expanding
